

Diabetes Australia – Vic Health Professional Membership

Through your complimentary 12-month Health Professional membership with Diabetes Australia – Victoria (DA–Vic), you become part of a dynamic and informed community.

As a Health Professional member you will be the first to hear about professional development and educational opportunities related to diabetes. You will also have access to a number of exclusive and valuable publications to ensure you are kept up to date with the latest information and research. These resources are available through the Health Professional member area of www.diabetesvic.org.au and include:

- ✓ NDSS Fact sheets
- ✓ Resources and research from pharmaceutical companies
- ✓ Pictorial guides for you and your clients
- ✓ Discounts when ordering publications and attending DA–Vic events

Our Health Professional members have the exclusive opportunity to apply for the Gwen Scott diabetes professional grant program. Each year a total of \$10,000 is awarded to health professionals for their development and training in diabetes. As a Health Professional member, you are eligible to apply.

In addition to your Health Professional benefits, you will also receive the services available to our general members, including:

- ✓ Subscription to *Diabetes Today*, DA–Vic’s quarterly member magazine
- ✓ Subscription to *Conquest*, Diabetes Australia’s national quarterly magazine
- ✓ Discounts through exclusive member partners on eye care, foot health and travel insurance
- ✓ DA–Vic’s Health Professional e-newsletter, *HP Hype* (bi-monthly)
- ✓ DA–Vic’s member e-newsletter, *Membership Matters* (monthly)
